Over the past few years, homeless veterans have received much more attention from 10-Year Planners and the VA has intensified its efforts to assist these men and women. This workshop will illustrate how effectively and efficiently homeless veterans can be served when local shelters, service providers, Veterans Services Officers, and the VA work together to meet the needs of homeless veterans. While efforts underway in Wake County will be used to demonstrate effective collaboration, these efforts can be duplicated in any community. The panel presenting this dynamic workshop will include representatives from federal, state, and community levels. *(NFL, EFL, 10, AA, CM, MH/SA, Hm, CJ, E, H, FB, SS, CoC)*

#### B. MENTAL HEALTH TRANSFORMATION:

##### ACCESSING SERVICES FOR HOMELESS CHILDREN AND ADULTS

#### D. DEPARTMENT OF CORRECTION:

##### TRANSITION AND RE-ENTRY: LESSONS LEARNED

Many communities are struggling to provide housing and support services for ex-offenders. The Department of Corrections will present on Lessons Learned during the first 3 years of implementing the Going Home Initiative Program and ways communities can support ex-offenders as they seek decent, affordable housing options. This discussion will focus on the types of housing programs, assistance and structure shown to be beneficial to this population. *(EFL, 10, CM, MH/SA, Hm, HD/M, CJ, G, E, H, FB, SS, CoC)*

#### E. WORKING WITH THE MEDIA TO GIVE YOUR 10 YEAR PLAN A LONGER SHELF-LIFE AND YOUR COC'S A BOOST

Is the media a viable place to discuss 10 Year Plans? Learn how to create strategic relationships with the media and engage them in the success of your plan and the work of your Continuum of Care. This workshop will focus on strategies that have worked well in some communities as well as media pitfalls to avoid. *(EFL, 10, Educ, AA, CM, HD/M, CJ, G, FB, CoC)*

#### F. VOICE OF A YOUTH AND THOSE WHO SUPPORT HER

This session will provide an opportunity to hear directly from a youth who has experienced homelessness. Come hear what she has to say about the barriers and what made a difference both prior to being homeless and after becoming homeless. Those who have supported her during her school career will also present with her what they did to assist her along the way. *(Educ, Hm, FB, SS, CoC)*

### WORKSHOP SESSION II: (2:30 p.m. – 4:00 p.m.)

#### G. SHELTER INTAKE AND PROGRESS NOTES: EQUAL PARTS SKILL & ART

Conducting a good intake interview, recording data correctly, and documenting strategic information in progress notes is more involved than simply filling out forms. This workshop will focus on concrete how-to's for relationship building and documentation processes. Participants will discuss how to make progress notes and intake applications "living" documents. Engagement strategies, structuring intake processes, and finding time to complete notes will also be explored. Whether your program uses paper forms or electronic data collection (including HMIS), this workshop is intended to make the process and products more client-centered and useful. While this workshop will be especially helpful to new front line staff, experienced front line staff and supervisors will also find benefit from re-examining the process. *(NFL, EFL, CM, FB)*

#### H. SHIFTING FROM SHELTERS OR TRANSITIONAL HOUSING TO PERMANENT HOUSING

Shelter and Transitional Housing providers are exploring ways to provide permanent supported housing in addition to, or in place of, their transitional programs. There are challenges and opportunities for board, staff, administrators and funders in the process. This workshop will provide technical assistance for agencies contemplating making a change, and give time for questions and answers. *(EFL, 10, AA, Hm, HD/M, G, FB, CoC)*

#### L. SCHOOL-COMMUNITY RESEARCH ABOUT HOMELESS AND HIGHLY MOBILE STUDENTS AS IT RELATES TO SCHOOL IMPROVEMENT

This workshop explores ways to apply participatory research to study educational practices for homeless and highly mobile students as part of school improvement plans. Learn what 4 schools in NC are doing this year. *(Educ, CM, Hm, FB, SS)*

## WEDNESDAY, APRIL 11

#### M. BASICS OF HIPAA, CONFIDENTIALITY AND FAIR HOUSING LAW FOR FRONT LINE WORKERS

Clients and agencies are best served when everyone understands and complies with legal mandates around privacy and confidentiality, yet sometimes these issues delve into ethical "gray" areas. This workshop will cover the basics of practices involving privacy and confidentiality as they apply to homeless facilities. *(NFL, EFL, Educ, AA, MH/SA, Hm, CJ, H, FB, SS, CoC)*

#### N. TANF: CHANGES IN EMPLOYMENT REQUIREMENTS & STRATEGIES FOR IMPROVING EMPLOYMENT OUTCOMES

Recent congressional changes in TANF laws clearly delineate employment requirements for TANF recipients. This workshop will explore how these requirements will change TANF enforcement in our state as well as discuss ways to improve employment outcomes for TANF recipients who are homeless or at risk of homelessness.

#### O. INTRODUCTION TO TRAUMATIC BRAIN INJURY AND COGNITIVE IMPAIRMENT AMONG HOMELESS PEOPLE

Cognitive impairment is a serious disability that is often overlooked when working with homeless men and women. People who are cognitively impaired as a result of brain injury, chemical dependency, malnutrition or other diseases may have difficulty learning new information or remembering previously learned information. While the prevalence rates for cognitive impairment in the general adult male population is approximately 2 percent, research studies indicate much higher rates of cognitive impairment in the homeless population. *(NFL, EFL, 10, Educ, AA, CM, MH/SA, Hm, CJ, E, H, FB, SS, CoC)*

## **P. INTRODUCTION TO PARTNERING WITH THE DEPARTMENT OF CORRECTION: ENDING HOMELESSNESS FROM THE STATE TO THE LOCAL LEVEL**

## **Q. CREATIVE STRUCTURE OF SUBSIDIES FOR HOUSING**

The Corporation for Supportive Housing will introduce examples of creative structuring of housing subsidies that have been successful in helping communities develop supported housing. *(10, AA, CM, HD/M, G, FB, CoC)*

## **R. UNEXPECTED OUTCOMES FROM THOSE WHO NEED IT MOST AND 21ST CENTURY SKILLS**

Come hear how a formerly unaccompanied youth used her life experiences to make a difference in the lives of her high poverty students, many from backgrounds very similar to her own, and how she instilled in them the vision of who they are and how they too can have unexpected outcomes. Learn how these students can develop the skills necessary for the 21st Century and how to prepare them. *(NFL, EFL, Educ, CM, MH/SA, CJ, H, FB, SS)*

## **WORKSHOP SESSION IV: (10:45 a.m. – 12:15 p.m.)**

### **S. ADVOCATE TO END HOMELESSNESS**

It's easy to become an effective advocate. Advocacy is largely about education. In order to make good decisions, our leaders need to be informed about what is happening day to day in your communities. By developing relationships with your elected officials and their staff, you can articulate the needs for expanded resources and improved policies to prevent and end homelessness. Participants can expect fun and lively dialogue while learning to communicate effectively with local, state and federal officials. *\*\*This workshop is recommended for individuals interested in participating in NCCEH's Advocacy Afternoon.*

### **T. NEIGHBORHOOD HOMELESS PREVENTION**

Research and data is helping to clarify what does and doesn't work in preventing homelessness. One strategy that has been proven particularly effective involves targeting prevention services within neighborhoods with a high documented rate of homelessness and at-risk households. This workshop will present lessons learned from communities using these strategies. *(EFL, 10, Educ, CM, Hm, CJ, G, FB, SS, CoC)*

### **U. DOCUMENTING TRAUMATIC BRAIN INJURY AND COGNITIVE IMPAIRMENT FOR SSI/SSDI APPLICATIONS**

Many homeless clients with cognitive impairment do not undergo comprehensive evaluation because they are not seen as being potentially eligible for SSI/SSDI. However, when their impairment is severe and carefully documented, the applications of people with impairments are approved. Steady income from SSI can make the difference between a person living on the streets with no medical coverage or living in a home and having medical coverage through Medicaid. *(EFL, Educ, MH/SA, Hm, CJ, H, FB, SS, CoC)*

### **V. CASA – STUDIES ON DEVELOPING AND MANAGING SUPPORTED HOUSING**

### **W. HOUSING FIRST: USING COMMUNITY AND CONSUMER VOLUNTEERS AND STRATEGIES FOR ENGAGING RESIDENTS WITH EACH OTHER**

Presenters will share some of the strategies they have been using to engage community members and consumers as volunteers with Housing First projects. In addition they'll talk about ways you can engage residents with each other even if your Housing First project is a scattered site project. *(NFL, EFL, 10, AA, CM, MH/SA, Hm, HD/M, CJ, G, H, FB, CoC)*

### **X. HOMELESS ADULTS AND THE IMPORTANCE OF TECHNOLOGY AND INQUIRY DRIVEN APPROACHES**

Sheryl Nussbaum-Beach, the 2002 Teacher of the year at Virginia Beach City Public Schools, will share ways to help children and adults experiencing poverty escape and begin to develop a skill set that will enable them to break the cycles they find themselves in *(NFL, EFL, 10, Educ, AA, CM, MH/SA, Hm, CJ, G, E, H, FB, SS, CoC)*
